Street Markers INK

Is a rectangular, 15 mm marker, filled with alcohol-based permanent ink that is designed to resist abrasion and UV rays.

This writing tool is valid for both graffiti and any artistic work where a very permanent ink is required.

Its valve system allows for excellent paint flow control and helps to avoid overflowing and spills.

Its simple, easy to use design, allows you to open the marker for refilling and changing the tip if necessary.

Available in black and red.
