

STREET PAINT

The Street concept by Montana Colors is designed for graffiti writers, but also for all those who are searching for a wide range of products for calligraphic or artistic uses.

Its optimized valve system allows for constant flow, preventing spills and overloads.

Characteristics:

- Very fast drying.
- Glossy finish.
- Good opacity.
- Very good resistance to the sun and rain.
- Color durability.
- Good resistance to UV light.

Street Paint 200 ml

Developed exclusively in the Montana Colors laboratories from the best components, its excellent opacity and fluidity make this product ideal for filling Dabbers and markers.

Street Dabbers Paint

Felt tip marker filled with solvent-based paint. This tool's versatile nature allows it to be used with any type of painterly technique or application.

Thanks to its lack of a valve, with the MTN Street Dabber you can achieve quick, smooth lines on a multitude of surfaces.

Its solvent base provides fast drying, permanent results similar to that of spray paint. You can make the most out of its drips and opacity right from the start.

Available in 10 colors similar to those from the Hardcore color range. 30 and 90 ml
