MTN de MONTANA COLORS

94 GRAPHIC MARKER
MATCHES THE SPRAY PAINT RANGE - ALCOHOL BASED

Product information | TECHNICAL DATA SHEET

94 GRAPHIC MARKERS
Weight: 21 g / 0.74 Oz.

GENERAL DESCRIPTION

Graphic Markers are alcohol-based markers with two tips; one thin, round tip for drawing and one wide, chisel tip for filling or calligraphy. These markers are designed essentially for sketching on paper.

CHARACTERISTICS

- Very fast-drying.
- High quality.
- Alcohol-based ink.
- Translucent ink.
- Colors can be mixed with one another.
- Does not contain aromatic solvents.
- High weather resistance.
- Long-lasting color.
- Good resistance to U.V.
- Dual tip: 7 mm chisel tip for filling or calligraphy and 0.5 mm thin tip for drawing.
- Colors coincide with the MTN 94 chart.

INSTRUCTIONS FOR USE

- Apply on paper; we recommend MTN Books.
- Colors can be mixed with one another by vertically pressing one tip into another, causing the marker on top to transfer ink to the bottom one.
- Water resistant once dry.
- Stains on the skin may be cleaned with hot water.
- Once used, keep the lids tightly closed.
