

WATER BASED 300

MTN Water Based 300 is a revolutionary water-based paint spray. Its handy 300 ml format, low pressure and, above all its low odor, make it the perfect tool for studio or indoor work. In addition and due to its composition, it is an incredibly versatile paint that may be utilized with various techniques.

Be water, my friend. MTN Water Based 300 was born in 2014, inaugurating a new era and taking a step forward towards a generation of aerosols that are more innocuous to the senses. Specifically designed for doing art and studio work, the graffiti community saw the advantages in a practically odorless aerosol paint that's valid for all types of interventions which require minimum olfactory impact.

The cornerstone in a family of products. MTN Water Based 300 is the flagship product of the Water Based range; a family of creative tools by Montana Colors that includes markers and paints with the same composition, specifically designed to complement one another.

- 96 Colors + 2 varnishes
- 300 ml · Finest quality
- Odorless · In & outdoor use
- Matt finish · Low pressure
